Summary 1970 Cessna 172L "Skyhawk"

This classic 1970 Cessna 172L airplane would make a great trainer and time builder as it has for our current owners of 2 years. The current owner used it mainly to get his pilot's license. He is very motivated to sell because his wife recently had a baby and has no time to fly it. Annual due 3/25/2018 sold as is.
