Year 1978

Serial R18200581

Registration N1857R

TTAF 4632

Ad Type For Sale

Location Denver, CO - KBJC

Type Sold

Summary This is a great Cessna 182RG! Firewall back it is loaded with the latest avionics, including a brand new GFC 500 Autopilot. A \$20k upgrade, to an already impressive avionics package. With a 1260LB useful load, you can take the whole family and the dog.

Airframe Details: Always hangared.

The plane will come with a wrap around cover, sunshades, oil and filters, and life vests. There are other items that can be negotiated with the sale, such as a two place O2D2, jacks and a tail weight.

Engine Detail Engine is the Lycoming 0-540-J3C5D
235hp
SMOH - 2644
The owners have run past TBO without trouble or change in engine performance. Their maintenance facility continues to monitor oil usage and compressions. All of which continue to show a strong running engine.
