Summary Looking for a well maintained Cessna 172 Skyhawk with low hours, ADSB and a fresh annual? Want to put some hours on a plane and resell? This aircraft is ready to fly. This aircraft has a 150 HP, Cruise Speed of 115 knots and a stall speed of 43. It weighs 1315 pounds empty and has a range of 417 miles. It has a 13,000 foot ceiling and will go 417 miles.

Airframe Details: The airframe has minor dings and scratches but is in excellent shape for a 1968 aircraft.

Engine Detail This aircraft has a four-cycle Lycoming-0-320 engine with plenty of power. It has a ground roll of 520 feet on Landing and 865 feet on Climb. It will climb at 645 feet per minute.

Avionics This aircraft had a ADSB recently installed and has the original avionics. The avionics are traditional and can easily be upgraded. It does not have a Autopilot or GPS but hose can be upgraded before pickup at Buyer's cost.

Exterior This paint job was recently done. It has a few blemishes that can easily be fixed. The aircraft has been hangered and is clean and looks fantastic.

Interior: The interior is clean with no major rips or tears.

Maintenance: All books and records are available for inspection. The aircraft just got through its annual.

Addition Features, Equipment or Comments (Not Available)
