Piper has rebranded the Sport Cruiser as the PiperSport The PiperSport's front-hinged, bubble canopy offers easy, over-wing access to the cockpit—and sturdy handgrips on the glare shield and a metal post between the two seats make it possible to climb in without stepping on the seat cushions. The PiperSport has a baggage area behind the seats that can accommodate up to 40 pounds. It also has a pair of wing lockers that can store up to 88 pounds. Carrying up to 30 gallons in a pair of 15-gallon wing tanks. The airplane's endurance is far longer than just about anyone cares to sit behind a Rotax 912 ULS, a fuel-sipping 100-horsepower engine
